The time limitation on provisional status as described in Graduate Education policy, GCAC-303, has passed. The department now wishes to take the following action:

- The student has now met the conditions specified upon the provisional admission, and should be permanently admitted to the program. Please remove the Prov. 1 status and registration hold.
- For the reasons outlined in the attached memo, the program hereby requests a one-semester extension of the provisional status for this student. A copy of the letter to the student specifying the conditions of the provisional admission is also attached.
- The student has **not** met the conditions specified upon the provisional admission, and is therefore no longer considered to be a degree candidate in this program. A copy of the letter to the student to this effect is attached. The status should be changed from degree to non-degree.
- Please enter the notation "Program terminated by the department" on the student's transcript.
- The notation "Program terminated by the department" should **not** be entered on the student's transcript.
